

Appln. No. 10/630,100  
Response dated May 13, 2005  
Reply to Office Communication of May 11, 2005

**REMARKS/ARGUMENTS**

In an Office Communication mailed May 11, 2005, the Examiner has indicated that the applicant did not provide a listing of claims readable upon an elected species. The error is regretted.

Claims readable upon the elected species are: 1-6, 13-22, 28, 40, 42-49, and 53-55.

Concerning the identification of species describing the same instrument and same numeration, Applicant reiterates a commentary made in its earlier response.

Respectfully submitted,

Date: 13 May 05
